PAPER TEST

1. Cut out the paper sizer. Cut a small slit in the end for the ring sizer marks to slide through.
2. Slip the pointed end through the slit and place it around your finger.
3. For an accurate measurement, pull the end so it slides to a snug fit. Make sure that you are able to get this over your knuckle and back off your finger.
4. Read the number that lines up next to the slit. This is your ring size.

Tips: Be careful not to wrap the paper too tight. Aim for a comfortable, snug fit. For the most accuracy, have someone help you measure.
