How does it work?

- Fill out a Jackets VIP Form (available online at www.jackets-and-company.com, in your New Student orientation packet, or at Jackets & Co.).
- Hand the form in at Jackets & Co. during orientation for the best chance at getting used books and rentals. (Orders are NOT subject to cancellation).
- Forms should be returned to Jackets & Co. no later than the end of each semester in order to receive discount.
- Jackets & Co. will pull your schedule for you and pack your books over the semester break.
- Pick up your books when you return for fall semester (Books must be paid in full upon pick up).

What about returns?

- Textbooks are returnable during the first two weeks of the semester provided you have: 1) documentation that you dropped the course and 2) your original receipt.
- In order to receive full value, new books must be returned in new condition. A new book that is marked, damaged, or written in may be returned as a used book for 75% of the new book value, providing you meet the above criteria.
- When returning bundled packages, please note that they must be wrapped in the original cellophane wrapping in order to be returned. Unwrapped bundles may not be returned until Book Buyback during Finals Week of each semester.
